June 15th, 2011

Dear Ron,

Global REACH would like to thank **Quote4Freight** for helping us ship two 40ft containers, of medical supplies to Beirut, Lebanon to help assist the Syrian refugees fleeing over the border. We would of not of been able to accomplish this great deed without your assistance.

Your thoroughness in our shipment and the great care you gave us is almost mind blowing. We had never shipped an international shipment like this... and Quote 4 Freight made sure everything was in order and walked us through every step of the way, until we were sure our shipment had arrived and was in the right hands.

We had looked almost everywhere before we had found www.quote-4-freight.com . When we did find Quote 4 Freight, it was like a breath of fresh air after receiving so many high quotes. We are delighted to of found this company, and will continue to work with them in the future. Quote 4 Freight has proven to be one of the less expensive companies. We literally saved 50% on our shipping costs compared to all the other quotes from various shipping companies.

Thanks Quote 4 Freight for helping us ship those medical supplies! We highly recommend this company to anyone who needs to get the job done right!

Sincerely

Dr. Robin Harfouche
